always keep a little beach day in your heart

18" Block

breeze

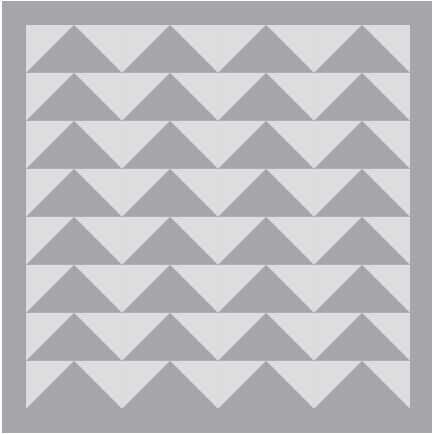

A beautiful day on the beach... Azure skies, the warmth of the sun, a light wind in your hair and the gorgeous hues of blue offered by the sea. Like its name, Breeze brings all of these delights together in a fresh, youthful fabric line with a light, airy blue as its predominant color. Splashes of pale pink add a pretty, feminine feel and white and navy blue bring depth through different hues to Zen Chic's newest fabric line.
