## CONSTRUCTION

Use a ¼" seam allowance.

### 1 Embroidery Background

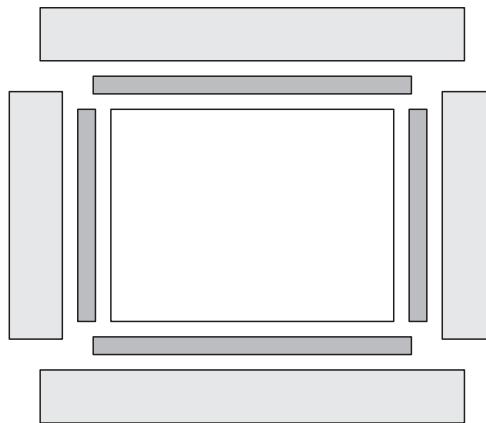

- Iron the Whisper Weft fusible interfacing to the back of the Bella Off-White background following manufacturer's instructions.
- Trace the embroidery onto the background fabric making sure to center the design.
- Stitch the scene following the pattern and using the color photo as a guide.
- Trim the completed embroidery to 8½" x 6½", keeping the design centered.
- Do not add buttons at this time.

### 2 Borders

- Sew side inner borders (1" x 6½") to quilt center. Press toward inner borders.
- Sew top and bottom inner borders (1" x 9½") to quilt center. Press toward inner borders.
- Sew side outer borders (2" x 7½") to the quilt. Press toward outer borders.
- Sew top and bottom outer borders (2" x 12½") to the quilt. Press toward the outer borders.

### 3 Finishing

- Following the color photo as a guide, sew decorative buttons to the completed embroidery.
- Layer quilt top, batting and backing. Stitch-in-the-ditch between the inner and outer borders. Add a running stitch around the embroidered center about ¼" from the inner border if desired.
- Bind using your favorite method.

Embroidery uses 2 stands floss.  
Stem stitch all lines unless noted otherwise.
